

FUNDRAISING TIPS and other things.....

FUNDRAISE ONLINE This is a fabulous fundraising tool, but to get the best out of it, your page needs to be really different to the others in the challenge....

Lots of you have asked for media contacts, and the first place the media will go to is your fundraiser online page to learn all about you. Then not only the media, but other people will be supporting and following your progress.

Here are a few ways to keep your page looking fantastic:

- **Great pics** of your team! You have 4 spaces down the left hand side for pics of your fundraising, trying on costumes and generally getting into the spirit of the challenge. These spaces can also be used for logos of your supporting companies – link to their website as a way of saying thanks!
- **Interesting description** of your team... As long as the basic elements are there—something about the race, about Cure Kids and about YOU, tell the story in your own words and use your own pics so the page screams of your teams' uniqueness.
- Keep up the **blogs**, not just to entertain us, but people will keep visiting your page. This is an area you can thank people whose donations are in your offline amount
- Set up **another fundraising page** under your account if you are holding an event and what people to 'buy tickets' online... eg – [Corporate Clowns Poker Night](#) ...

OFFLINE

Just in case there is any confusion, please do not touch your offline totals!!!! Every Friday, we'll update the offline to reflect what we have received from you in cash/cheques/direct deposit..

Any questions, email [Angela](#)

RECEIPTS

We are really happy to issue receipts to your fabulous donors but need to know at the time you are depositing the \$\$..Unfortunately we can't issue these retrospectively!!!

FUN STUFF

You are all doing plenty of fantastic work in the background with great fundraising events.. Indian Banquets, Poker Nights, Casino Evening and good old coercing your mates/family/clients into supporting your team and helping Cure Kids at the same time.

REMEMBER...Keep an eye on the website for the latest news and tips
