HOW TO SET UP YOUR FREE WEB FUNDRAISING PAGE

Last year's competitors raised an amazing \$396,000 with a high percentage of this being through the Cure Kids website linking to FundraiseOnline. This tool enables competitors to create their own personal fundraising web page to encourage their family, friends and colleagues to support them by donating online. It is easy, efficient, effective and very secure. It also provides each person who donates with tax deductible receipt.

1. Go to the Cure Kids homepage www.curekids.org.nz

2. Click on this box

3. Then this box...

4. Then follow the online instructions!

Important – Please do not use the offline facility; we will update this section of your page once funds have been received at the Cure Kids office.

Once you have set up your page, here's the box which links to all competitor pages – check out what the others are up to!

If you need any help, please contact Angela at Cure Kids.
