

WE 'RE OFF AGAIN!!!....

Welcome to the Accor \$10 Queenstown Challenge 2008
 We have some fabulous things in store for you all and the team at CluedUp are working their magic to keep you challenged while you are on the road.

TO GET YOU STARTED

Just to make sure you have everything to get you started:
 Team Member #1 from each team should have received a pack in the mail containing:
 Confirmation letter
 Fundraising Toolkit
 Sample stickers
 Invoice for the first \$1000 +gst, due within 2 weeks of submitting your entry.

Just to explain a little further, this first invoice needs to be paid in full separately to what you raise online (we will of course add the \$1000 to your offline, just can't count the gst as we have to pay that!) If you can get a company to pay/sponsor this amount, then they can claim back the gst!!!

From then on, funds can come in via:

- Fundraiseonline
- Cash
- Cheques
- Direct Deposit

We will keep your offline updated with any money received in our office going to your team!

FUN STUFF

Rumour has it that a number of you have started on some ingenious fundraising already – The 3 teams from Defence have encouraged the whole Defence force to hold a morning tea for Cure Kids next Tuesday – everyone donates the price of a Coffee!!
 Rebecca Dearing has set a challenge if she personally raises \$6000, she'll shave her hair !!! You can do this to—using attached poster!

FLIGHTS AND ACCOMODATION

Late next week you will all receive a personal email with the flights that have been penciled in for you. Now you have choices – you can either can come back to your hometown on Saturday or stay in Queenstown (accommodation at your own cost!) Please start thinking about this now as we have limited time to arrange the changes and once arranged will be final.
