

Come see Shrek the Hermit Merino shorn for possibly the last time...

Come along and support Cure Kids most famous ambassador as he is shorn for the third time in his 13 years – this time at Sky Tower Auckland.

This could be the last time to see SHREK the Hermit Merino shorn.

All children receive a bag of wool to take as a memento of the day. Bring along your families and support Cure Kids – turning research into hope for children with life threatening illnesses.

For further details on this event visit the Cure Kids website.
