

## Dear \$10 Challenge teams

Happy Monday - I hope your week is off to a great start! We're on the countdown now until the \$10 Challenge, as there are only two full weeks left until we head down to Queenstown for the start of the event. There's a lot happening this week, so please make sure you read (and action!) the info below. And remember, we are here to help if you have any questions or concerns, so feel free give us a call.

Looking forward to meeting you all soon,

Summer

## Waivers, Race Rules and Gear List

Attached to this email (or available on the website) are a copy of the waiver, the race rules and the gear list for the event. It is important that you please: sign the waiver and send back to us, read (and remember!) the race rules, and have the compulsory items on the gear list. It is going to be cold on the road.

## Show me the money!

A reminder that we request all fundraising money to be paid to Cure Kids BEFORE the event begins. This isn't long now! Remember, please call your Cure Kids fundraising manager if you have any concerns around this.

## Phones during the event

Phones are an important part of the event, as texting/calling the event HQ play a big part in us ensuring you are safe while on the road. (Which I'm sure you know, as you will have read the race rules by now...) Please can you make sure that both competitors in your team have a cellphone with them, and that you have given this number to us at Cure Kids BEFORE the event. Please also be aware that you will be required to use the phone to text and possibly call, so make sure you have sufficient credit for this.

## Cameras and facebook... a sneak peak...

We wouldn't normally give away this kind of information... so I'll only say this once... there is going to be a challenge throughout the event that involves both photos and facebook. Your team will have an advantage if you have a digital camera (or smartphone, or even just a normal phone that can pxt), and will have an even bigger advantage if you and all your friends/family/colleagues are friends with Cure Kids on facebook.

Just a hint... (become our friend now! Also, don't panic if you still don't have a camera – just give me a call).

I think that's enough info for now! I'll finish with the fundraising leaderboard, as at the end of last week. It's looking good...

## Fundraising Leaderboard

Team Name	Ranking	Amount Raised
Hayley and Emma	1	\$12,357.50
Grant and Sarah Smith (Peugeot)	2	\$9,717.80
Chloe-Rose and Fin 'Going Bananas'	3	\$7,337.54
