

## You make the whole world smile

You make the whole world smile,  
with your little button nose.

Your itty bitty feet and your tiny  
little toes.

Even in the still of night when your  
a little so and so.

You make the whole world smile.

You make the whole world smile,  
when you light up like the sun.

The laughter in your eyes bringing  
joy to everyone.

So we will all sing this song,  
and we'll beat upon the drum.

You make the whole world smile.

Let love flow through your soul,

Let it in, Let it in

Look into your heart,

come on play your part

Let's begin.
